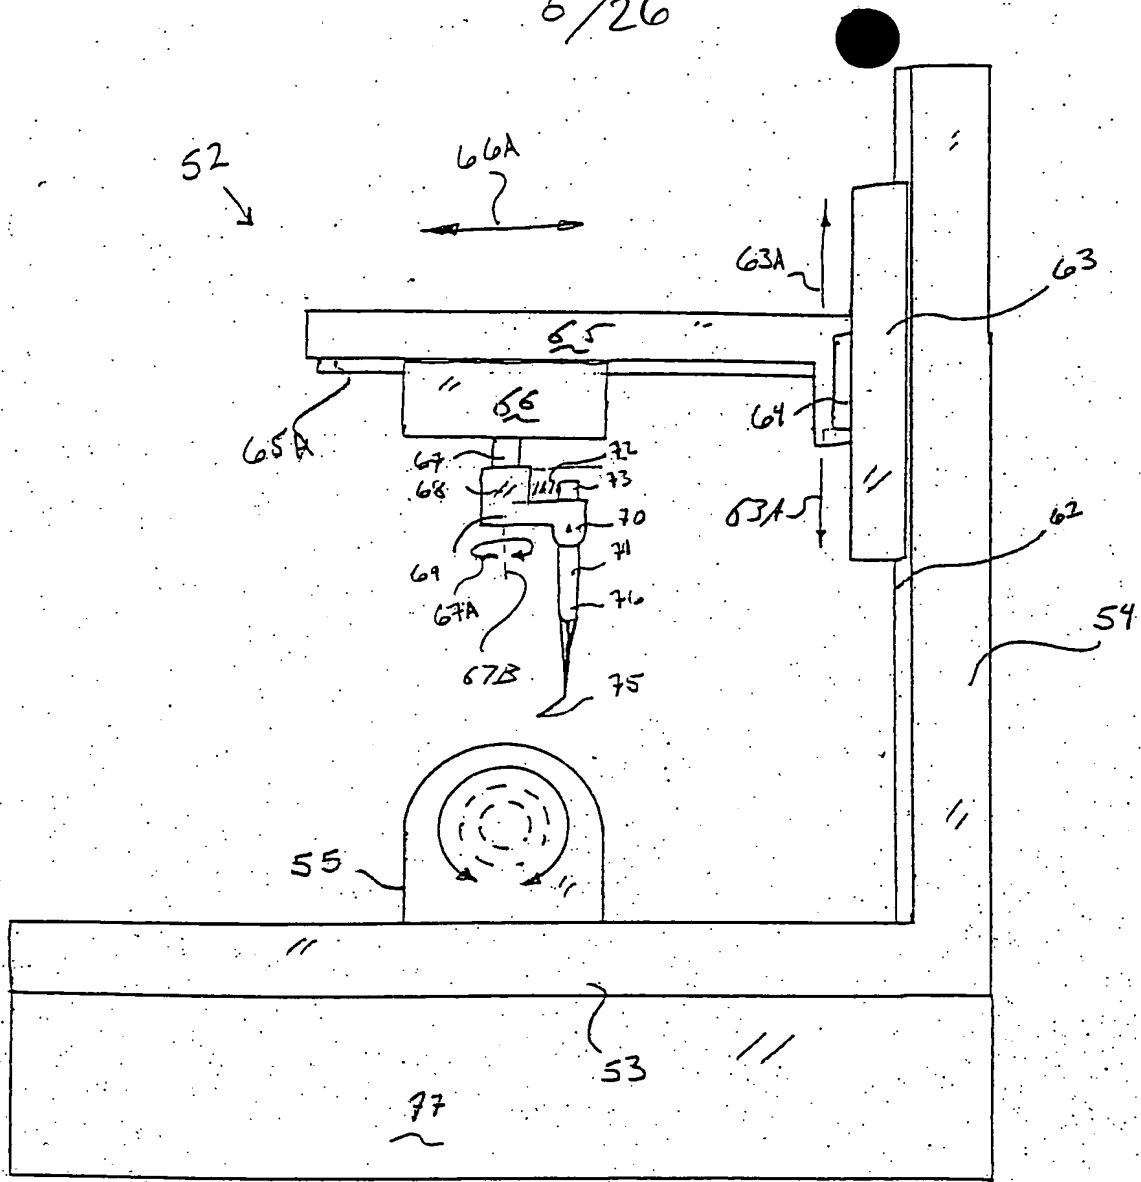

FIG. 13A

A hand-drawn schematic diagram of a mechanical assembly, likely a valve or actuator. The diagram includes the following components and labels:

- 62**: A vertical component on the left side.
- 63A**: Two arrows pointing vertically, one upwards and one downwards, indicating movement or force.
- 63**: A horizontal component connected to the vertical assembly.
- 64**: A small rectangular component at the junction of the horizontal and vertical parts.
- 64A**: A horizontal component extending to the right.
- 65**: A horizontal component above the main assembly.
- 66A**: A horizontal double-headed arrow indicating movement.
- 67**: A central vertical component.
- 67A**: A horizontal component connected to the central vertical part.
- 67B**: A curved component below the horizontal part.
- 68**: A small component near the central vertical part.
- 70**: A component on the left side of the central assembly.
- 71**: A component below 70.
- 72**: A component at the top of the central vertical part.
- 73**: A component above 72.
- 74**: A component near the base of the central vertical part.
- 75**: A circular component at the bottom of the central assembly.
- 52**: A downward-pointing arrow on the right side.
- 53**: A bracket at the bottom of the diagram.
- 55**: A circular component on the right side.
